Lamorey Clothing Co.,
Barre, Vt.

Friend Joe:

I have made an unusual clothing purchase. I have bought the stock of A. W. Dubois in Salem, who has conducted a shoe and furnishing store for a number of years, and last February decided to put in a line of ready-made clothing, but owing to the very backward season it has been a failure to him, and he has decided to discontinue the clothing end of the business. I made him an offer of 60c on the dollar and he has telephoned me his acceptance after locating me at this hotel; also stated that he had wired the store his acceptance.

These goods are all new and up-to-date merchandise. There are about 100 Suits and a few Balmacaans which retail from \$10 to 20.00. Divide these in three lots and sell the \$10 grade for 6.50, the \$12.50 and 15.00 grades for 9.50, the \$18 and 20.00 grades at 14.50. Put these on sale Friday, Saturday and Monday and all that is not sold after that time put them in the regular stock, but if the public of Barre are wise there will be three customers for every suit.

Trusting that you will be able to dispose of these and that you will get them in due season for Friday, I remain,

Yours very truly,

A. A. Lamorey.

PINKLETS

The Laxative That Really Does Correct Constipation.

Constipation means that poisonous materials which should have been expelled from the body are being retained. At first there may be only a feeling of fullness and discomfort but soon the appetite fails, the digestion becomes disordered, the tongue coated, the breath offensive and there is a bad taste in the mouth. The first step in correcting constipation is to stop the use of strong purgatives. Substitute for them the mild, non-gripping but effective laxative pills, Pinklets. Strong, harsh purgatives are of little value in the treatment of constipation because they wear out the muscular activity of the bowels and finally lessen their sensibility to even the strongest stimulation. The continued use of purgatives always brings on chronic constipation instead of correcting it. With Pinklets you need have no such fear. They assist the bowels and liver just enough to get them in proper working order. Any druggist can supply you with Pinklets at 25 cents per bottle. Write today to the Dr. Williams Medicine Co., Schenectady, N. Y., for a copy of the Pinklet book which tells all about the treatment of constipation.

WAITSFIELD

Most Children's Diseases Start with a Cold.

Restlessness, feverishness, an inflamed throat and spasmodic cough, maybe whooping cough is starting in. Give Foley's Honey and Tar promptly. It helps the children so very much, and Mrs. Shippy, Raymondsville, Mo., says: "I got fine results from it, and it is a great medicine for whooping cough."—Advt.

Helps Kidney and Bladder Trouble—Everybody Satisfied.

Everywhere people are taking Foley Kidney Pills, and are so satisfied they urge others to take them also. A. T. Kelly, McIntosh, Ala., says: "I recommend them to all who suffer from kidney troubles and backache—for they are fine." Best thing you can take for backache, weak back and rheumatism.—Advt.

WASHINGTON

"Mothers' day" will be observed at the Baptist church Sunday. There will be special music, and a sermon in honor of our mothers will be preached Sunday morning. This will be a family gathering. Fathers, mothers, children, all who love mother are invited to join in honoring their best earthly friend. The church calendar will be printed in Saturday's Times.

THIN BLOOD CAUSES BACKACHE

Every muscle in the body needs a supply of rich, red blood in proportion to the work it does.

The muscles of the back are under heavy strain and have but little rest. When the blood is thin they lack nourishment and rebel. The result is a sensation of pain in those muscles.

The best medical authorities agree that backache seldom or never means kidney trouble. Real organic kidney disease may have progressed to a critical point without developing a pain in the back. Doctors detect its presence by the excretions of the kidneys themselves.

Pains in the back should always lead the sufferer to look to the condition of the blood. It will be found in most cases that the use of Dr. Williams' Pink Pills to build up the blood will stop the grumbling of the impoverished muscles of the back. How much better it is to try Dr. Williams' Pink Pills for the blood than to give way to unreasonable alarm about your kidneys. If you suspect your kidneys, any doctor can make tests in ten minutes that will set your fears at rest or tell you the worst.

All druggists sell Dr. Williams' Pink Pills. A free book, "Building Up the Blood," will be sent on request by the Dr. Williams Medicine Co., Schenectady, N. Y.
